You must now submit to the state prior to June 30, 2007 the approval letter and the Technology Plan. These documents will only be accepted electronically in PDF format. **If the electronic submissions are not in PDF format, they will not be considered submitted.**

To verify that your plan is approved, the department will list your district on their "Approved Technology Plans" website at <http://www.nj.gov/njded/techno/localtech/>.
