Dear Parent and Senior Student of the Class of 2022:

Congratulations on reaching another milestone in your high school career! Next year as seniors, you will be eligible to obtain student parking. Below you will find links to access the Parking Application, Parking Documentation Form, and the FRHSD Senior Driving Privileges/Campus Vehicle Procedures and Disciplinary Consequences for Driving/Parking Violations. In order to maintain a secure and safe environment that is fair to all students, it is important that you review the parking procedures and guidelines listed below and in the linked documents. All of this information is located in the [Senior Parking section on the Class of 2022 Webpage](#).

1. Parking at Freehold High School is a **senior privilege**. The senior driving privilege is given to the student exclusively, and the transporting of other students is an action that is **not authorized** by Freehold High School or the Board of Education. Bus transportation is provided for every student in the district. **Student drivers may lose driving privileges for violation of school rules and regulations, particularly for truancy, tardiness, cutting, leaving school grounds, or for continual disciplinary referrals**. Students must abide by all school regulations. Parents and students are to review the Student/Family Handbook distributed at the beginning of the school year. The FRHSD Senior Driving Privileges/Campus Vehicle Procedures and Disciplinary Consequences for Driving/Parking Violations can be found [HERE](#).
2. **All students and parents must review the [FRHSD Driver Safety Awareness Website](#).**
3. The limited number of spaces available requires that seniors who wish to park on campus may find a partner, unless they are enrolled in a Vocational School.
 - a. Seniors will be issued a blue (even day) and gold (odd) day parking pass to determine a fair and equitable parking schedule; You may only park on your assigned day.
 - b. Be aware that you are not required to drive your partner to/from school, and doing so is not recommended by Freehold High School and is strictly a parental decision.
4. After finding a partner (not required), students should ensure the following:
 - a. Students that apply for parking must be eligible for the 12th grade as of September 2021;
 - b. All fines owed to Freehold High School must be satisfied prior to the issuance of a parking permit (hang tag);

- c. Students **MUST COMPLETE THE 2021-2022 PARKING APPLICATION GOOGLE FORM**. This form can be found [HERE](#). (Students must be logged into their FRHSD accounts to access the form);
- d. **SUBMIT THE FOLLOWING DOCUMENTATION BEFORE THE PARKING TAG IS PICKED UP:**
 - i. A signed completed Parking Permission Document. This form can be found [HERE](#).
 - ii. Copy of a valid New Jersey driver's license. If a student does not yet have a license, the Google Form will remain active all school year online. The actual parking hang tag will be issued **after** a copy of the license is noted on the form along with the other required documentation;
 - iii. Copy of current registration of the vehicle(s) being driven to school; **AND**
 - iv. Copy of current insurance card for the vehicle(s) being driven to school.

Parking tags WILL NOT be issued unless ALL documentation is turned in. It is not the school's responsibility to make copies of this information. Forms must be completed and signed by a parent/guardian or they will not be accepted.

- 5. You will receive an email by August 23rd detailing dates and times for parking tag pick up in September.
- 6. Vocational School students that violate the school's parking rules are subject to the same disciplinary actions as all students. Any student who withdraws from Vocational School will then have a parking pass under the same conditions of all other students, including the need to find a partner for the remainder of the school year.
- 7. Current juniors are NOT allowed to park on campus. Juniors parking on campus will lose their parking privilege for their senior year.

Please note that these rules are subject to revisions when the change affects the safety and security of the school. With your cooperation, we are sure that our students will have a successful senior year. Please retain both this letter and all procedures/disciplinary consequences for your records. Return only the completed Parking Registration Form with the necessary information as outlined in this letter.

Thank You,

The Freehold High School Administration
