

Freehold Regional High School District

2022-2023 Student-Family Handbook

Acknowledgement Form

Dear Parent/Guardian:

Welcome to the Freehold Regional High School District. The **Student-Family Handbook** is available online at www.frhsd.com and provides students and parents with valuable information regarding the FRHSD. Please review this Handbook, particularly the section outlining student conduct guidelines with your son or daughter. The Harassment, Intimidation, and Bullying (HIB) Policy #5512 is displayed on the district's homepage; please also review this with your son or daughter. After you read the Handbook and review the HIB Policy, please complete and sign the electronic **Student-Family Handbook Acknowledgement Form** via the Parent Portal. All students and parents must complete this form annually. To access the Parent Portal, go to www.frhsd.com and click on the Parent Portal icon in the blue bar below the photo gallery. If you do not have a username and password, please complete the "Parent Access Registration Form" available on the website. **Please note, when providing your contact information in Parent Portal, you are authorizing the FRHSD to contact you (via phone or email) regarding important announcements, such as weather cancellations and upcoming events. Please ensure that your contact information is kept up-to-date.**

All students and parents must review and acknowledge the following forms via the Parent Portal:

- **Emergency Contact Information Form**
- **Family Educational Rights and Privacy Act (FERPA) Fact Sheet**
- **Health History Update – Parent Questionnaire**
- **Media and Information Release Form**
- **Network Use Agreement Form**
- **Student-Family Handbook Acknowledgement Form**

I acknowledge and understand that the FRHSD will provide access to forms and important information relating to students electronically through its online Portal. I further understand that I am required to review the forms and information and acknowledge my review. This acknowledgment will constitute an electronic signature and will have the same force and effect as a written signature.

The forms, records, and information on the system will be accessible to me as required by law, and once I submit a form it will be locked and incapable of modification. If I wish to change documents or information that has been submitted, I understand that I must submit a request to the Administration to process any such changes. The administration will provide hard copies of the required forms, upon request, if you do not have Internet access.
