The biggest projects to date are the Graduating Seniors Class of 2020 Plaque which will hang in the school in perpetuity, plus we were able to institute 2 \$500 Scholarships. It is our hope from this point forward that every year we also will be able to donate to each class \$500 per year to be put towards their prom. Commencing with the Class of 2021 and going forward, every graduating class will have \$2000 to put toward prom/senior week expenses (classes of 2021, 2022, 2023 will be pro-rated). With so much uncertainty with school funding, the PTSO would like to be available to assist where needed, but only if financially possible.
