

## Notification of Exit from the English as a Second Language Program

**Student:**

**Date:**

Dear Parent(s) or Guardian(s):

The goal of the district's ESL program is to help your child learn English and meet age-appropriate academic standards. Determination regarding when a student no longer needs program services is based on student performance on the WIDA ACCESS for ELLs 2.0 Exam and/or a combination of performance indicators such as state exam scores, academic achievement, and/or teacher recommendations. We are pleased to inform you that your child is no longer in need of instruction in our district's High-Intensity English as a Second Language (ESL) program. Your child's progress will be closely monitored by their guidance counselor and content area teachers to ensure continued academic success.

Sincerely,

*Ms. Ellen Gianakis*

Supervisor of English, ESL, and Art
