

Special Education Advisory Council

SEAC

Freehold Regional High School District is proud to present:

SEAC Parent Meeting: Meet the New Director of Special Services

October 10, 2017 - 6:00 PM-7:00 PM Freehold Regional High School District Administration Building, Conference Room, 11 Pine Street, Englishtown, NJ 07726.

Presenter: Dr. Teresa Taylor - This evening provides an opportunity for parents of students with individual education programs to get to know our new Director of Special Services. Dr. Taylor will address your questions about the Special Services department at Freehold Regional High School District.

Please RSVP by October 3 to Marissa Divers at 732-792-7300 x8590 or email mdivers@frhsd.com.

Community Resource Expo!!

Wednesday, November 1, 2017 - 6:30 PM-8:30 PM Freehold Township High School, 281 Elton-Adelphia Road, Freehold, NJ 07728.

Parents can connect with over 20 community partners, agencies and programs that help students with disabilities during and after high school.

Please RSVP by October 25 to Marissa Divers at 732-792-7300 x8590 or email mdivers@frhsd.com.

SEAC Parent Meeting

Tuesday, December 5, 2017 - 5:30 PM-6:30 PM Manalapan High School, 20 Church Lane, Englishtown, NJ 07726.

Please arrive prior to the parent presentation to provide your input and suggestions to the Director of Special Services and connect with other parents of students with special needs.

Parent Presentation: What's Next After High School?

Tuesday, December 5, 2017 - 6:30 PM-8:30 PM Manalapan High School, 20 Church Lane, Englishtown, NJ 07726. There will be two separate presentations taking place at the same time. Choose the presentation that is most beneficial to your son or daughter for their post-secondary planning:

In the Media Center - Self-Directed Day Services:

Presenter: Mr. Michael Garra - Mr. Garra is a coordinator for individual and family support through the Arc of Monmouth County. Self-Directed Day Services is an alternative to traditional program funding for people diagnosed with developmental disabilities. This session will address the needs of students with severe disabilities as they reach the age of 21, including DDD services and accessing Self-Directed Day Services.
