New Jersey Department of Children and Families • Children’s System of Care

SOC Overview
Children’s System of Care Mission

Maintain and support youth with emotional and/or behavioral needs, developmental/intellectual disabilities, substance use disorders and their families in the community by providing them with behavioral healthcare services appropriate to their needs, at the most appropriate level of care and for the most appropriate length of time, regardless of the family’s income.
The Wraparound Process is as simple as people helping people.
