“Getting From Where You Are to Where You Want to Be”

Designed for younger high school students, Peter Van Buskirk delivers a five-point plan for achieving educational goals. Special emphasis is placed on self-awareness, finding a good college fit and the consequences of decision-making throughout high school.

Peter Van Buskirk spent more than 25 years in selective college admission including twelve as Dean of Admission at Franklin & Marshall College before joining Peterson’s where he served as Vice President for College Planning Solutions. He attended Harvard’s Management Development Program and is a 40-year member of the National Association of College Admission Counseling.
