## TEEN DRIVER SAFETY PROGRAM

Dear Parents/Guardians.

Colts Neck High School's Teen Driver Safety Program will take place on Tuesday, March 5th at 6:00 p.m. in our auditorium. In order for your son/daughter to be eligible for parking on campus next year, they must follow a three-step process.

- Step 1: The parent/guardian **MUST** attend the Teen Driver Safety Program on March 5th at 6:00 p.m. in our auditorium. If the parent/guardian is unable to attend our assembly on Tuesday, March 5th, the parent/guardian **MUST** attend one of the other driver assemblies at any of our district high schools. The dates and times can be found on our district website.
- Step 2: Your son/daughter must attend the Student Driver Safety Program on Tuesday, March 5th during block 5 in our auditorium.
- Step 3: Your son/daughter **MUST** submit their parking application by Monday, June 3rd, 2019. Your son/daughter must select a partner and list the partner on their application.

If your son/daughter does not have a license, but would still like to be eligible for parking, they must complete the application and document on the application that they will be receiving their license during their senior year. They will update their information upon obtaining his/her license. The applications **MUST** be returned to the main office and we will begin accepting applications on Wednesday, March 6th, 2019. If any of the three steps are not completed, your son/daughter will not be eligible for parking on campus next year.

Sincerely,

Mr. Shawn Currie  
Assistant Principal
