September 5, 2019

Dear Parents and Guardians:

On Thursday, September 19, 2019, at 6:30 pm, Manalapan High School will hold a Back to School Night for the parents and guardians of all students. On behalf of the entire staff, I would like to extend our warmest invitation for you to participate in this program.

This evening is an ideal time for you to meet your child's teachers and to gather information about program offerings, student expectations, and services designed to assist you and your child in his/her educational pursuits. The program is not designed, however, to provide information about individual student performance, nor is this program designed for students to attend.

On the next page of this letter is a form which can be used to write down your child's schedule. Additionally, you can print the schedule directly from the parent portal. This is highly recommended. Ten-minute classes will be held for all seven courses on your child's schedule.

Parking at the high school is limited. Please arrive early and use the gym side parking lot. Additionally, we will be having a Back to School Night 9th Grade Parent/Guardian Program, which will take place from 5:30 – 6:15 pm that evening in assigned locations (see next page). Please come out to meet with your child's counselor to learn about the extracurricular activities, available services, and ongoing supports that Manalapan High School offers.

Please be advised that students will be dismissed from school at 12:00 pm and no lunches will be served on this day. Furthermore, all ninth grade students will have the opportunity to attend our annual Activities Fair during school on September 19<sup>th</sup>. The fair will remain open in the evening for all parents and guardians to experience.

The staff of Manalapan High School is looking forward to meeting you.

Sincerely,

Adam L. Angelozzi

# STUDENT SCHEDULE for BACK-TO-SCHOOL NIGHT

Thursday, September 19, 2019 - 6:30 pm to 8:30 pm

On this form, please print the classes your child has. Do not put the lunch period on this schedule, and do not put any science lab period on this schedule. You can also print the schedule from the parent portal, which is recommended.

<u>TIME</u>	<u>PERIOD</u>	<u>SUBJECT</u>	<u>ROOM</u>	<u>TEACHER</u>
