## A Few Notes of Importance

- As a reminder, the attendance policy has changed to reflect the rotating block schedule and is as follows: **Course credit WILL be withdrawn if a student's total number of absences (excused and unexcused/unexplained) is excessive. Excessive is defined as exceeding four (4) days for a quarter year course; seven (7) days for a semester course; twelve (12) days for a three-quarter course; and fourteen (14) days for a full-year course. Those students in Credit Withdrawal may also be subject to loss of student privileges (i.e. senior trip, proms, parking, etc...).**
- Student drop off and pick up is on the auditorium side of the building only. Students should report to school by 7:25 am in order to be in class by 7:30 am. During parent drop off and pick up please know that cutting through private property is not legal. Additionally, stopping on Route 522 to pick up or drop off students is not safe. These matters will be enforced by law enforcement moving forward.
- Students can pre-pay for lunch in the cafeteria. Please see the link below for more information: <https://www.paypams.com/>.
