Geometry	March 29 & 30
English II	March 31 & April 5
English I	April 3 & 5
English III	April 4 & 5
Makeups	April 6, 7, 18-21

Math Testing:

March 27-29: Testing will take place in the morning only through period six. Students who normally have lunch periods 3 or 5 will attend period nine lunch.

March 30: Testing will take place in three sessions throughout the day: Algebra I will be during periods 1-3. Algebra II will be during periods 4-7 and Geometry will be periods 9-11. Algebra I and II students who receive extended time will test periods 1-5. Geometry students who receive extended time will test periods 7-11. Students who miss their lunch periods will attend either 3rd or 9th lunch as their schedule permits.

ELA Testing:

March 31- April 4: On Day 1 of a grade level test, testing will take place in the morning through period eight. All students testing will eat lunch during period nine.

April 5: Testing will take place in three sessions throughout the day: English I will be periods 1-3. English II will be periods 4-7 and English III will be periods 9-11. Students who receive extended time will test periods 1-5. Students who miss their lunch periods will attend either 3rd or 9th lunch as their schedule permits.
