

FREEHOLD REGIONAL HIGH SCHOOL

13th ANNUAL TEEN DRIVER SAFETY FLAG & BANNER CONTEST

Winning designs from prior years

- Design a flag in a digital format that promotes safe and responsible driving habits.
- The selected design from each school will earn the student a guaranteed parking spot for the 2021-2022 school year.
- The FRHSD Board of Education will select a winning design for the entire district, which will fly as a flag at all six high schools and as a banner in each school cafeteria through the 2020-2021 school year.

Guidelines:

10th Graders, submit your design (in a digital format) to your school's Teen Driver Safety Coordinator by April 6, 2020. See below.

Designs must not contain any trademarked, copyrighted images or wording.

The winning design will be selected based on creativity, design and effectiveness of the message.

This is an individual project.
